Accessories Information

Girdles (Compression Shorts)

In addition to the hip and tail bone pad pockets, the girdles have five internal thigh pockets for positioning the locator plate. These thigh pad pockets provide five positions of adjustment to allow for optimal vertical positioning. Each *AirArmor* Knee and Leg Protection System comes with a specialized *AirArmor* girdle. Additional Extra Girdles are recommended.

Girdles (Compression Shorts)

Item Number	Size	Waist	Included Quantity	Extra Quantity
ASE700015	Small	28"-30"		
ASE700016	Medium	32"-34"		
ASE700017	Large	36"-38"		
ASE700018	X Large	40"-42"		
ASE700019	XX Large	44"-46"		
ASE700020	XXX Large	48"-50"		

Straps, Pads & Adjustable Stops

Straps are approximately 16" long and provided in two materials and designs. The Light design incorporates a light elastic loop fabric with a Velcro® hook. The Robust strap material is a heavier belting with Velcro® attachments. Standard strap color is black. Each *AirArmor* Knee and Leg Protection System comes with a Light or Robust strap and a Girdle. Additional girdles and straps are recommended. Spare pads may be required, item numbers are listed below.
